Brandon Bradley will bring the message at the next meeting on Monday, March 18 at Blue Ridge Christian Church in Columbia.

He says God has blessed him with a unique ministry focus through his role at CCCB. Along with serving as the Associate Dean of Professional Studies, he is partnering with churches and various ministries as they walk through seasons of leadership transition. This includes interim ministry service, ministry leadership coaching, and CCCB's Graduate Placement Service.

He has been married to Eleanor Bradley for 24 years. They live in Columbia, with two children, Caleb and Michaela (20 years old).

The CMCE had their regular monthly meeting Feb 18, 2019 at Kentucky Road Christian Church in Mexico. We thank them for allowing us to meet there two times in a row. Southside Christian Church was scheduled to host us, but they had water leaks in the building and it was not possible to meet there, so everyone panicked and

Kentucky Road allowed us to move across town. Thanks again!

Kevin Wilkerson opened with prayer and thanks to Kentucky Road.

MOVE gave a report on the progress at Dexter and they are doing great, and trying a different time to have services.

Ryan Eidson spoke on "What is the best way to make disciples?"

There is no one way or one curriculum. Many things have been used and have been successful such as: a really good preacher; teaching on obedience; just study the Bible - all of which do work, but what is the best way? The Bible has the secret to making disciples in the books of Ezra and Nehemiah combined, as they worked at the same time to bring a great revival many years ago.

February meeting continued from page 1

They worked together to study the Word of God and to do what is written there. In other words, study the Bible and learn the will of God, then act upon the words. Colossians 3:12-17 tells us to let the Word of Christ dwell in your body. He then used the four H's from 4-H which I will try to reproduce. He did change them a little.

UPDATE TO WEBSITE

Before the end of the year, cmceonline.org will be changing to a different web hosting service. My son, Bill Kellogg (DBA Kellogg Consulting Group) has provided web hosting for our site since it was started many years ago.

He has decided to discontinue web hosting, and with his research, I have found a new service. I will continue to provide updates to the site and edit the monthly newsletter. I am happy to volunteer this service.

Considering this, we are in the process of updating the site, and hope to have it completed soon. It will have much of the same information, but with a whole new look!

I am asking all church leaders to make sure the addresses and contacts on the "Information" page are correct. Please take a minute to check this out and let me know of any changes or corrections that need to be made.

Thank you!
