## Central Missouri Christian Evangelizers

*Planting Churches in Preparation of His Coming*

Next meeting: 6:30 pm Monday, Dec.10, at Parkview Christian Church, Centralia

Walker Franke to speak at the  
December 10th meeting

Walker Franke is a freshman at Central Christian College of the Bible in Moberly. While the semester has made a big impact on him and his walk with God, he is internally eager for Christmas break as class finals begin to commence.

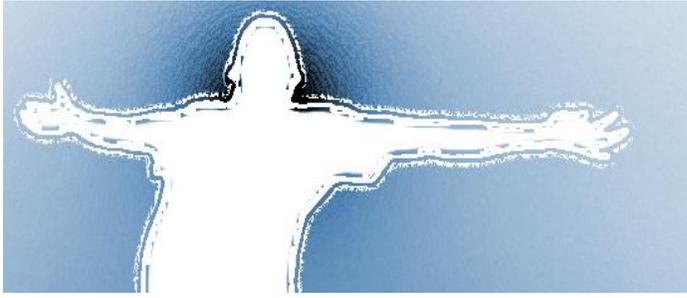

Walker has constantly been surrounded by people that have been godly influences. His father, Jamie, is currently the senior minister at Vandalia First Christian Church, and his mother, Christy, comes from a family of preachers. Growing up in the home of a preacher gave him a Christian perspective on life and showed him firsthand the concept of ministry and servant leadership. Walker is eternally grateful for the influences around him, the experiences he has had, and the opportunities to serve.

Walker is currently pursuing a degree in Preaching Ministry. He didn't choose to major in this field because of a family legacy. Instead, Walker believes that this is the best way for him to use his God-given abilities to further the Kingdom and help people build relationships with God.

The November 2018 CMCE meeting was held at the Vandalia Christian Church Monday, November 18, 2018 at 6:30 pm. Kevin Wilkerson, president, opened the meeting with prayer. John Stufflebean moved, and it was seconded that the minutes and financial report be accepted.

Report by Mark Kummer from the New Church Plant in Dexter, MO: We are getting a huge blessing in southeast Missouri - not only is the church plant in Dexter going well, but we are starting a church in Poplar Bluff. We are not exactly starting one in Poplar Bluff - there was a church start there and it sort of fizzled out and the preacher left, and they wondered what to do. Our Church Planter, Darin Kleeman, preached there a few times as he was preparing to start the church in Dexter, and they asked him to become their preacher. The short story of this is that we now have two starts for one. The church in Dexter had two baptisms and the church in Poplar Bluff had one last week. What a blessing God has granted us: we [MOVE and CMCE and others] stepped out in faith and made the effort and He has blessed us far beyond all we had hoped for.

# Central Missouri Christian Evangelizers

## *Planting Churches in Preparation of His Coming*

Next meeting: 6:30 pm Monday, Dec.10, at Parkview Christian Church, Centralia

Report from Christian Campus House: Don Stoll reports that they had a great crowd for their Thanksgiving International Banquet [which was exactly what you expect from the name].

We enjoyed congregational singing with these three songs: Let It Be; Amazing Grace [new] and Survey the Wondrous Cross.

Finley Price preached on "The Keys to Living a Godly Life in a World Full of Wickedness" from Matthew 24 and 1 Thessalonians

We, as Christians should live a joyous life! We have an enemy who wants to devour us. He wants to steal our joy. Finley then asked if anyone was from Arkansas and he said, "Just looking at people from Arkansas makes me smile".

In our world of today everyone is acceptable except Christians. Becoming a Christian is sort of like being a leper. There is real anger toward Christians from many, but their problem is they do not know God. We can rejoice forevermore because God gave us JOY. Our eternal home is in Heaven with God and Christ. Christ is the vine and we are the branches; we cannot function without Christ. Without Christ we are like the useless branches which are trimmed off and thrown into the fire. We are like a pre-born baby, tied to Christ by an umbilical cord. Pray

for the continual power of Christ in our lives. The hearts of many will grow cold; sin is the new normal. There is a war against the unborn! The only good thing about abortion is that those babies are now in Heaven! We can rejoice forevermore in Christ. We need to live a life of joy, prayers. Pray without ceasing in all times. God's Word is forevermore; if we do not know the Word, we do not know God. Trials and tests develop our faith. We must read God's Word

Our next CMCE meeting will be the second Monday evening, NOT the regular third Monday evening. This meeting will be at Parkview Christian Church in Centralia at the regular time of 6:30 pm.
