Central Missouri Christian Evangelizers

Planting Churches in Preparation of His Coming

Next meeting: 6:30 pm Monday, November 19th, at First Christian, Vandalia

The Central Missouri Christian Evangelizers met October 15 at the Benton City Christian Church in Benton City for the regular meeting. The meeting opened with Kevin Wilkerson presiding. The first item on the business was the election of board members and President for the coming year. Kevin was nominated for his second term, Rick Tremblay and Raymond Iman for regular 3-year term and John Stufflebean for the unexpired term of 2 years. There were no further nominations, so a motion was made to cease nominations and the above are the new board members.

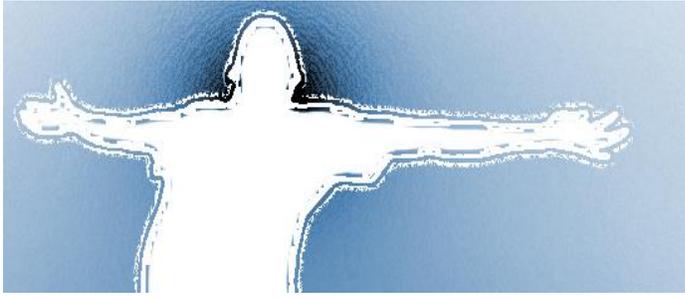

Mark Kummer reported on the new Church plant Dexter, in southeast Missouri. They had about 70 present for the opening day and about 30 have signed up for membership. MOVE is considering uniting with a congregation in Poplar Bluff for the second congregation in that area. That congregation had started, then faltered and when our Church planter talked to them, they were interested, so he is preaching at both churches for the present.

Middletown Christian Church reported that they will be hosting the final "Sunday Alive" Sunday, October 28 with Christian Campus House from Columbia as the program. Everyone is invited.

Jamie Franke brought the message, looking at the life of King Solomon from I Kings, Chapter 3, and following passages. The title of his sermon was: "What Will be Written about YOU?"
IMAGINE!

God Himself comes to earth just for us! We are called the Temple of God today. We are cautioned to Walk in the Way of the Lord Without compromise.

Solomon began his kingship with much promise and many blessings; King David groomed him as his successor from the beginning. He cautioned him to Walk in the Way of the Lord. He began his reign with the great prayer in which he pleased God by not requesting fame or fortune for himself but asking for wisdom to lead God's people. God then granted him long life and riches.

Planting Churches in Preparation of His Coming

Next meeting: 6:30 pm Monday, November 19th, at First Christian, Vandalia

Solomon had great honors because of his great wisdom and wealth, and he began by building the great temple to honor God. We, also, have many blessings and many honors. We have God's Word to guide us and we have the Holy Spirit living within us to help us. Solomon started so wonderfully but did not continue to walk in the way of the Lord without compromise. He married foreign women and allowed them to lead him to worship other gods. He knew the way of the Lord, but just strayed "just a little" from God's way at first, then more, then more. What about our lives? Are we living totally in the Way of the Lord, or are straying "just a little in some things which do not matter"? What will be written about your life when someone writes the final chapter? Will you be one who has been faithful to the end or will you be like King Solomon, who failed to live up to his great expectations? Finish strong in the eyes of God! There is no retirement from being a Christian. One day there will be justice for all. What will be written about you??

The **November** meeting will be at Vandalia with Finley Price speaking.

The **December** meeting will be at Parkview Christian Church in Centralia with Walker Franke speaking. This meeting will be the second Monday evening - December 10.
